## **Free the 7 Anarchists detained for their political beliefs by '*Operación Pandora*' in Spain**

On 16/12/2014 the Mossos, Catalan police stormed 14 homes and community centers, destroying and stealing everything they could find of value. Without making any specific accusations and acting in complete secrecy, 11 anarchists were transferred to the National Court in Madrid. 4 were released two days later - and 7 have ended up in prison, one is a member of the CNT-AIT Union. They are all facing secretive Court proceedings.

## **we want them free!**
