SCAB

so don't cross picket lines!

- crossing picket lines only hurts yourself by undermining attempts to improve conditions.
- the longer the picket line, the shorter the strike - stronger solidarity benefits all workers.
- friends don't stab each other in the back: you spend a lot of time with the strikers, don't betray them.

SCAB

don't cross picket lines!

- crossing picket lines only hurts yourself by undermining attempts to improve conditions.
- the longer the picket line, the shorter the strike - stronger solidarity benefits all workers.
- friends don't stab each other in the back. you spend a lot of time with the strikers, don't betray them.

I'd rather be
a picket
than a
scab

don't cross picket lines!

Why?

www.solfed.org.uk

- crossing picket lines only hurts yourself by undermining attempts to improve conditions.
- the longer the picket line, the shorter the strike - stronger solidarity benefits all workers.
- friends don't stab each other in the back: you spend a lot of time with the strikers, don't betray them.
